Vanguard Slim

V 41 S AT REL (NR)
AC

Slim Collection

The Vanguard Slim features an ultra-thin case, made possible by a minimized automatic movement with a thickness of only 2.60mm, manufactured in-house by the master watchmakers at Franck Muller. The Slim collection asserts its personality and remarkably balanced proportions through its gracefully slimmer case.

Reference V 41 S AT REL (NR)

Functions Hours, Minutes

Movement MVT FM 708
In-House Movement
